Lightning Kills Few.

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from violent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c at the Red Cross Pharmacy.

Cured to Stay Cured.

How a Barre Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, be cured to stay cured. Doan's Kidney Pills make lasting cures.

Barre people testify. Here's one case of it: Mrs. Anna Gibbs, 31 Brooklyn St., Barre, Vt., says: "For over a year I had more or less backache, as the result of disordered kidneys. If I brought a strain on the muscles of my back, sharp pains seized me and I was also annoyed by headaches and dizzy spells. Whenever I overworked or caught cold, my suffering was worse. I had read a great deal about Doan's Kidney Pills and decided to try them. I procured a box at Drown's Drug store. Before I had finished the contents, the pains in my back were relieved and I felt better in every way. I am only too glad to recommend Doan's Kidney Pills." (Statement given Nov. 10, 1905.)

Re-endorsement. Mrs. Gibbs was interviewed on May 23, 1911, and she said: "I value Doan's Kidney Pills as highly as ever and can still give them my recommendation. I have had no serious attacks of kidney trouble since giving my former statement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

MARSHFIELD.

Mr. and Mrs. H. E. Hadlock returned home Tuesday from a week's visit with friends in Williamstown.

Geo. D. Ormsbee has sold his place on Main street to O. E. and E. G. Carpenter, possession to be given at once.

Martin Freeman has secured employment with the Parker, Young Co. of Lisbon, N. H., and moves to that place in the near future.

Mr. and Mrs. Wallace Lamberton went to Montpelier Saturday, where they expect to make their future home, having exchanged their hotel property here for a tenement house in that city.

The reading by Mrs. Jeannette Jewell Kellogg at the Congregational church Monday evening was one of the best entertainments of its kind ever given in this place and was much enjoyed and appreciated by those present.

The schools in town opened the winter session of ten weeks on Monday morning. The high school will have a thirteen weeks' session. The study of vocal music has been added to the curriculum for the graded school.

The Marshfield house formally changed hands Saturday night, when Mr. and Mrs. W. E. Lamberton left on the evening train for their new home in Montpelier, and Mr. and Mrs. A. V. Slayton, the new proprietors, took possession.

Fred Richardson, the junior partner of the firm of Thwing and Richardson, has sold his interest to Mr. Thwing and is making arrangements to move to Hardwick. Mr. Richardson's departure is much regretted, both in a business and social way.

Mrs. Lucy Bemis and Oscar L. Bemis have exchanged residences. In this transaction the former regains possession of her former home and the latter takes possession of the two-story residence on Cabot street, which was built and formerly owned by E. C. Merrill.

The village fire company had its first test with the new engine Tuesday, when it responded to a call for the fire which destroyed the mill barns of Harry H. Martin, six miles out from the village. In just sixty minutes from the time Chief Thomas received the telephone call, the engine was in place and a stream of water playing on the fire.

The following, clipped from the "Bethel" Intelligence of the Randolph Herald, is of interest at this time: "The opening number of the Whitcomb high school lecture course, Peter MacQueen, in his illustrated lecture, 'Land and the Game Where Roosevelt Hunts,' made a decided hit at the town hall last Friday evening. An unusually large house for a lecture was present and the frequent applause was evidence of a delighted audience throughout the entire evening. The pictures were as good as have ever been shown here. The lecture was witty, pithy, well thought out and instructive. Several maps of the Africa of the present were shown, marked to indicate the territory controlled by various European powers. Mr. MacQueen was in excellent voice and could be clearly understood all over the hall. His slight Scotch accent—for he is a pure blood Scot—was delightful. His pictures and proof that he placed the American flag on the highest point ever reached by an English-speaking man in Africa, 19,390 feet on Mt. Kilimanjaro, were greeted with enthusiastic applause. Mr. MacQueen went 1,200 feet higher than the duke of the Abruzzi. He traveled 27,000 miles in Central Africa, dined with the sultan of Zanzibar, hunted with the king of Uganda, has hunted and shot lions, giraffes, elephants, hippopotamuses, leopards, rhinoceros, crocodile and antelope, and secured the finest collection of photographs ever taken in Africa. His lecture on 'Land and the Game Where Roosevelt Hunts,' has attracted world-wide attention, and will be a treat to see and hear. Mr. MacQueen will give his lecture, illustrated by over 150 colored views, at the K. P. opera house, Wednesday evening, December 13, as the third number of the lecture course under the auspices of the Village Improvement society. This is one of the best numbers of the course and a record attendance is anticipated. That some may be deprived of the educational advantages of this entertainment, a special admission rate of only 10c will be made to school children, accompanied by parents."

WATERBURY.

Frank Laysie has a contract to build a stonewall in Barre for Brown, Carroll & Co.

The friends of E. E. Campbell are congratulating him upon his appointment as deputy sheriff to succeed C. C. Graves, resigned.

At the Advent church the service will be held at the usual time in charge of Elder A. W. Page. A reception was recently given Elder Page at his home in Colville by the people of his church.

Mr. and Mrs. Charles Kerne have returned to their home on Winslow street from Bridgeport, Conn. They report Miss Caroline Kerne as recovering slowly from her recent operation for appendicitis.

At the Methodist church to-morrow morning, Rev. E. F. Newell will speak upon "Never Give Up the Good That Has Cost So Much." Children's sermon, "True Bravery." In the evening the pastor will speak on "Telegrams from Heaven."

BERLIN.

On Thursday evening in the town hall was held the annual church pie supper and sale of the Lead and Hand society of the Congregational church. About 130 sat down to supper. The fancy and useful articles on sale found ready buyers. Representative E. P. House proved himself an excellent auctioneer, causing a considerable amount of amusement as he disposed of such pies and cakes as were left, getting full value for all he sold.

HANDS WOULD CRACK OPEN AND BLEED

Blistered, Formed, Skin Sealed Off, and Flesh Burned and Itched Dreadfully. Healed by Less Than One Cake of Cuticura Soap and One Box of Cuticura Ointment.

"About two months ago my hands started to crack open and bleed, the skin would scale off, and the good flesh would burn and itch dreadfully. When my hands first started to get sore, there were small blisters like water blisters which formed. They itched dreadfully. It just seemed as though I could tear the skin all off. I would scratch them and the skin would peel off, and the flesh would be all red and crack open and bleed. It worried me very much, as I had never had anything like this matter with my skin. I was so afraid I would have to give up my employment."

"I consulted my doctor, and he said he didn't think it would amount to anything. But it kept getting worse. One day I saw a piece in one of the papers about a lady who had the same trouble with her hands. She had used Cuticura Soap and Ointment and was cured. I decided to try them, and my hands were all healed before I had used one cake of Cuticura Soap and one box of Cuticura Ointment. I am truly thankful for the good results from the Cuticura Soap and Ointment, for thanks to them I was cured, and did not have to lose a day from work. I have had no return of the skin trouble." (Signed) Mrs. Mary E. Breig, 2522 Brown Street, Philadelphia, Pa., Jan. 12, 1911.

Cuticura Soap and Ointment are for sale everywhere, but those who wish to try them without charge may do so by sending to Potter Drug & Chem. Corp., Dept. 6A, Boston, for a liberal sample of each, post-free, together with 32-p. book on the skin and scalp.

RANDOLPH.

Fair Yesterday Afternoon and Last Evening Was Busy Place.

Duffels and Gay's hall was a busy and attractive place yesterday afternoon and last evening, with its prettily decorated tables and its quantity of useful and fancy articles. It was the fair of the ladies of the Federated church. In the evening the following program was given: Cornet duet by Glen Bailey and Robert Bruce; "The Family Album," by several of the young people of the church; song by Mrs. Carrie Hawley O'Brien, who kindly consented to give a selection; "A Fish Story," by Howard H. Smithers; several selections of music, by the grand quartet, and a dialogue, by Miss Spriggins and the census man. The affair was well patronized and when the receipts are counted it is hoped they will yield a handsome revenue, to reward the ladies for their days of work.

Good Advice to Vermont Girls.

Never mind about putting any message in the turkey, sister. It may get your name in the newspapers, but you don't want it there. No honest, thoughtful New England girl that helps to send turkeys to market, wants to get printers' ink fame in that way. —St. Albans Messenger.
